

## Intelligent Compaction Rollers

**NOTE: Refresh the page to view the most current list.**

The following intelligent compaction rollers and retrofit rollers have been pre-qualified for use on Department projects. Contact CST/M&P's Geotechnical, Soils, and Aggregates Branch at (512) 506-5907 for information regarding approval of rollers not listed below. Only accelerometer-based intelligent compaction (IC) systems are acceptable for approval.

The Department may accept other IC rollers and technologies, when requested, provided they appear on the list of FHWA-recognized equipment maintained on The Transtec Group, Inc., website at [www.intelligentcompaction.com](http://www.intelligentcompaction.com).
